Club Song

Well there's a big big sound
From the Heart of the town
It's the sound of the Gisborne GIANTS

You feel the ground A-SHAKING
The other teams are quaking
In their boots before the GIANTS

We take the longest strides
And the highest leap
We're stronger than the rest

We are the mighty Gisborne GIANTS

We're the biggest and the best

And we will never surrender

We'll fight until the end
to win a premiership no less
