GISBORNE

GIANTS

Football Netball Club

Juniors | Seniors

sponsorhsip and contibutor support

Gisborne Giants Football Netball Club (GGFNC) was established in 2016 with just three football teams competing in the Riddell District Football Netball League. Since then, we've grown into a thriving junior and senior football and netball program built on passion, community spirit and hard work.

In 2025, the Giants took an exciting next step, officially launching our senior program in the RDFNL. Alongside player development, we're proud to lead initiatives that strengthen community connection, including our inaugural Indigenous Round and our move to the state-of-the-art Macedon Ranges Sports Precinct as lead winter tenant.

Our growth has been powered by dedicated volunteers, loyal supporters and valued sponsors. As we continue to expand, we invite partners to join us on this journey, connecting with families, engaging with the local community and aligning with a club that is ambitious, inclusive and on the rise.

Become part of the Giants story.

Gisborne Giants Football Netball Club (GGFNC) proudly recognises that our sponsors and contributors are vital to the continued growth and success of our club. Your support enables us to provide quality programs, develop players of all ages, and strengthen our connection within the community.

We warmly invite businesses and supporters to become part of the Giants journey. With a range of sponsorship opportunities available, we can tailor a partnership package to suit different levels of contribution and exposure.

To explore how we can work together, please contact sponsorship@gisbornegiantsfnc.club to discuss an option that best aligns with you.
